DOUBLE PLAY is another chance to win!

- Double Play is a Powerball add-on feature. You must purchase a \$2 Powerball ticket in order to add the \$1 Double Play option to your ticket.
- Double Play allows players to use the same numbers played on their Powerball ticket for a chance to win even more prizes up to \$10 million.
- Double Play is an additional drawing that occurs after the Powerball drawing.
- Power Play does not apply to Double Play prizes.
